

Latino Community Association
Empowering Families Luncheon

December 1, 2022

Going on 22 years, the Latino Community Association (LCA) has empowered Latino families and built bridges across cultures to create a more resilient Central Oregon. Annually, our services impact 10,000 adults and children. Sponsor support will help support and address the unmet needs of low-income Latino families in the areas of workforce, citizenship, health, education, legal, and basic needs assistance. Your support and sponsorship of our annual Empowering Families Luncheon ensures our ability to continue providing the vital services needed for our community to thrive, including workforce assistance, education, health, legal, citizenship, and youth literacy, as well as cultural enrichment activities.

*****Please note – LCA is following all state / regulations and mandates associated with COVID-19. We are working to ensure that best practices are in effect for the safety of our team, our Latino families, supporters and the community at large.***

Presenting Sponsor - \$ 5,000

- Includes naming in the introduction of the event (Example: ABC presents the Latino Community Association's Empowering Families Luncheon)
- Prominent logo placement on all printed and promotional materials, including in the event program, press release (if confirmed by 11/1), multiple social media posts and email blasts
- Logo branding opportunities, verbal recognition at event, including in video and on table signs
